10th September 2023

Dear Parents and Carers,

I am excited to be able to invite you to a **Maths Open Morning** happening in school next week, on the morning of **Tuesday 17th October**.

This will start with a short presentation in the Hall from 9.15am when I will be able to update you on new initiatives I am starting this year for Maths at Great Whelnetham, as well as an explanation of how we aim to teach Maths in our lessons through the White Rose resources.

Then, you will have the chance to go to your child's Maths lesson and get first hand taste of those resources in action and get a better understanding of what an actual Maths lesson looks like. This will be from 9.30-10.30am.

The PTFA have kindly agreed to provide some teas and coffees from 9.00am in the Hall so that you can come straight from drop-off into the Open Morning.

I hope that as many of you as possible will take this chance to find out more about the amazing teaching and learning that has been happening in your child's classroom. Some fantastic progress has been made in Maths at our school, and it would be great to get your support in taking this even further this year.

Thanks, and I look forward to seeing you in school next week.

Kind regards,

Sam Sharp

Maths Co-ordinator
