

# P.T.F.A Newsletter

January 2023

We hope you all had a lovely Christmas and New year, and have settled back into the school routine. At the end of last year we finally managed to purchase the interactive board for the school so thank you for contributing to this. Our next fundraising targets are for some new playground equipment for playtime, more music equipment and to help continue the development of the library. We have a few fun events already planned which we know the children are going to love.

We would like to say a massive thank you to everyone who came and helped out at the Christmas Disco, we really appreciate it. Unfortunately even with the support of some of the parents helping the committee, the last few events we have put on have really pushed us to our limits and we have struggled to get all the work covered on the night. We are then left unable to take part with our own children and enjoy the event together. We have therefore made the decision to ask for helpers before each event with specific jobs/tasks that need covering and if we don't have enough people come forward we will have to cancel the event. This is something which we really don't want to do, so we ask that if you can spare just 30 minutes of your time at a 2 hour event that you come forward. Something as simple as running a tombola stall for 30 minutes would be a massive help to us. It would be great to get more volunteers come forward and help put these events on for the children.
