JUNE 2024

## ECO - COUNCIL

We are delighted to have been awarded the Eco-Schools Green Flag accreditation for the second consecutive year! The award recognises the good environmental practices which are taking place at our school and our commitment to protecting the planet. A quote from our feedback, *"You have involved the PTFA and volunteers. These sorts of partnerships are critical to the end goal. When reading your curriculum links we needed to applaud the bikeability scheme you have booked, ensuring that children are safe on the roads, more active, and reducing the carbon footprint. The Christian Value of Respect has been woven into your second link. You have gone into the local community to keep it tidy"*.

## 1 THANK YOU MISS SPARROW

I'd like to take this opportunity to thank Miss Sparrow for all her efforts and hard work in Larks class over the last two terms. She has an exciting opportunity to relocate with her family due to her partner being in the military. Although, I know she is sad to be leaving us, I am pleased to announce that from September, Mrs Masson will be doing four days in Larks with Mrs Lockwood working with Larks on a Friday.

## 2

## SEND Survey

Miss Tyler will be writing to our SEND families in the coming days to share a survey link with you. We would love to hear feedback about the positives of our SEND provision and what else we can do to improve our support further. We are keen to introduce a SEND CAFE next academic year for families to attend and build a network of support. We would love to hear your thoughts on this and specifics of what would appeal at these events.

## 3 Safeguarding Update

This month's safeguarding update focusses on Online Safety. The film looks at what is important in digital parenting and shares some resources that may be useful when creating digital safety at home. If you have any questions about online safety, please speak to Mr Varela who is our Online Safeguarding Lead.
